

## Split Bamboo Skin Stick-to-Stick

The stick-to-stick is a beautiful innovation of Van Nifterik that is made to resist strong weather conditions while being environmentally friendly. This stick is very straight and less likely to bend when put outdoors. The skin also allows for a very unique, natural look to the stick. It is possible to paint the stick in any color.

Length	Diameter
90 cm	7x7 mm
110 cm	8x8 mm
110 cm	8x8 mm
110 cm	15x7,5 mm
120 cm	14x14 mm
120 cm	15x7,5 mm

## Split Bamboo Skin Tripod

Our split bamboo tripod is made out of three split bamboo stakes that are connected with a metal ring. These tripods are perfect for indoor use and are completely plastic free. Split tripods are manufactured in our factory and are an efficient way of staking houseplants.

Length	Diameter Metal Ring	Diameter Stick
32 cm	25 mm	7x7 mm
60 cm	35 mm	10x10 mm
70 cm	35 mm	9x9 mm
80 cm	56 mm & 70 mm	10x10 mm
